Summer 2022

News and Information from ACMS

Welcome

A hero is defined as "a person noted for courageous acts or nobility of character". As President and General Manager of All-City Management Services, I would like to take this opportunity to thank the thousands of Crossing Guards employed by ACMS who fit this definition of courage and character!

Since March of 2020, we have all endured the immediate, lingering, and long-term effects of the COVID-19 pandemic. Amongst family and friends, many lives were lost, paths in life were changed, schools were shut down and businesses were closed. Yet, despite these profound changes and significant setbacks, the Courageous Crossing Guards of ACMS were asked to return to work, many beginning in August of 2020, and the balance returning by August of 2021. Crossing Guards continue to put the safety of the children they serve ahead of their own needs. This nobility of character during these most trying times demonstrates the courage that defines these individuals. On behalf of countless children, grateful parents, proud colleagues, and managers you work with, I thank each Crossing Guard who risks their life every day in service to their community. Thank you! ❤️

2022 Crossing Guards of the Year

Each year we select Outstanding Crossing Guards of the Year in programs around the nation. These Crossing Guards are selected based on their exceptional overall performance this reward is for exceptional people. They were chosen based on their exceptional overall performance and their embodiment of the core values of ACMS (Accountability, Caring, Moral Integrity & Safety). As a result of COVID, we did not acknowledge our 2022 class of Outstanding Crossing Guards of the Year. So, without further ado, may I thank each of the recipients and present to you the men and women selected as the Outstanding Crossing Guards of the Year for 2022:

ALL AROUND ALL CITY

ACMS Crossing Guards continue to show us what it means to live a life of service. We are privileged to share stories of our Crossing Guards that truly represent what it means to selflessly "go above and beyond."

Beloved Crossing Guard retires after 50 years

After 50 years of protecting Grand Rapids children headed for school, Our beloved ACMS Crossing Guard is retiring. Kattie Eason has been crossing children at the corner of Wealthy Street SE and Henry Avenue since 1977, according to Grand Rapids Public Schools. She started the job because she wanted to be close to her children. She was featured on Wood Tv News. We will truly miss her. Thank you, for your dedication and extraordinary service. ACMS Crossing Guard of the Year stands tall for kids celebrated by the school community

East End Community School recently honored its beloved Crossing Guard, Danny Lowe. Families from the school celebrated Lowe and the care he takes for the children. Lowe, who has autism, has worked as a Crossing Guard for seven years. We are proud to have Danny on the ACMS team. [Click here to read the story.](#)

Marin honors Novato Crossing Guard for 44 years of service

For the past 44 years, Carmel Morini has donned a neon vest and carried a stop sign to safely lead Marin students on their way to the classroom and on their route home.
