

# Congratulations to Our 2016 Outstanding Crossing Guards of the Year!

In one of several programs designed to provide recognition for our employees, ACMS annually chooses individuals who display the attributes of an Outstanding Crossing Guard. These individuals are not only very good at what they do professionally, but also impact their school communities in an even larger way. This well-deserved reward for individual excellence also serves to bring public attention to the important work done by all School Crossing Guards. We take this opportunity to salute these individuals and their dedicated commitment to pedestrian safety!

Look for the 2017 Outstanding Crossing Guards in the Upcoming Issue
